

Do You Have What It Takes to Be Part of the YouEconomy?

The YouEconomy is a growing global network of people who are taking the future of work into their own hands. They're sharing resources and technology, taking gigs through job sites, creating freelance businesses and innovating methods of generating income. Do you want to be part of the movement? See if you have what it takes.

👉 **People with the ability and the audacity to think big carve the path to greatness.**

Mostly agree Neither agree or disagree Mostly disagree

👉 **All risk isn't risky.**

Mostly agree Neither agree or disagree Mostly disagree

👉 **A person who ignores change is a person who welcomes problems.**

Mostly agree Neither agree or disagree Mostly disagree

👉 **Failure is inevitable, but how you deal with it determines whether you are ultimately a winner.**

Mostly agree Neither agree or disagree Mostly disagree

👉 **When it comes to being successful, it pays to be different.**

Mostly agree Neither agree or disagree Mostly disagree

👉 **No one has succeeded without some type of mentor. Mentors are invaluable.**

Mostly agree Neither agree or disagree Mostly disagree

👉 **Having no money doesn't mean you have no resources.**

Mostly agree Neither agree or disagree Mostly disagree

👉 **Your ability to turn rejection into motivation to persevere can take you to soaring heights.**

Mostly agree Neither agree or disagree Mostly disagree

👉 **Your commitment to a goal must overcome your trepidation.**

Mostly agree Neither agree or disagree Mostly disagree

👉 **One's level of success is directly related to sacrifice.**

Mostly agree Neither agree or disagree Mostly disagree

👉 **Successful people have the fortitude to keep going despite being tired, to continue to educate themselves to be top performers, and to work through difficulty.**

Mostly agree Neither agree or disagree Mostly disagree

👉 **A true winner is not driven by outward appearances of success, but rather by solving a problem.**

Mostly agree Neither agree or disagree Mostly disagree

👉 **The goal of an entrepreneur should be to align motivation with objective.**

Mostly agree Neither agree or disagree Mostly disagree

Answers:

1-13: Use your resources! Don't worry, just because you don't agree with these ideas doesn't mean you don't have the passion to become an entrepreneur. Consider teaming with a friend to maximize your efforts.

14-26: You're on your way to becoming an entrepreneur! Create habits that can boost your entrepreneurial mindset, and soon you'll be on your way.

27-39: You're an entrepreneur! You think big, you know how to delegate, and you're prepared to make sacrifices. What are you waiting for?
